Previous Abandonment

Sir or Madam:

Attached please find copies of a fax sent in 2005 by the Applicant in an attempt to document the fact that the instant application was expressly abandoned before the first office action. The fax appears to be missing from the file.

Michael Cammarratta of BSKB has advised us that there is no point in moving forward with the prosecution of this application because any patent we obtain would be worthless. I am writing to request that you recognize the previously submitted request for express abandonment. Unfortunately, I do not have a copy of that document.

Respectfully submitted,

BJ Bennett, President
